

NFAC #4878/80

10 July 1980

MEMORANDUM FOR: Director of Central Intelligence
Deputy Director of Central Intelligence

VIA : Deputy Director for National Foreign Assessment

FROM : Coordinator for Academic Relations, NFAC

SUBJECT : Plans for the Discussion/Dinner on International
Terrorism, Tuesday, 22 July 1980

1. Action Requested: Signatures on the letters to our invited speakers and other-agency guests, attached.

2. Background: You approved the proposal for a Discussion/Dinner on International Terrorism on 30 May. Despite the season, we have been remarkably successful in interesting the outside specialists and concerned officers from other agencies on our original list. Boyer Bell of Columbia will be out of the country but Ernest Evans of Brookings, who is available, has been highly recommended in his place. The other specialists are Brian Jenkins of RAND (considered the leading extra-government authority on the subject) and Robert Kupperman, of the Georgetown CSIS. From other agencies, Ambassador Quainton of State, [redacted] of DOD/DIA, and William Odom of the NSC Staff will admirably represent the action side of the government. From the Agency, besides yourself, myself, Frank Carlucci and Bruce Clarke (if both are available), we are planning to invite [redacted] (representing Helene Boatner), [redacted], two DDO terrorism specialists, [redacted], and two or three of the NFAC specialists: [redacted], and [redacted]
